RE: Mira Bella Builders, LLC

To Whom It May Concern,

My name is Christina Saucedo with Love International Ministries. We are a local and community church and we have worked with Mira Bella Builders on a few occasions. I personally have a tremendous respect for Mira Bella Builders. They are a professional company and fulfill their commitment to accomplish and finish the job in a timely manner. I can attest that not all general contractors / builders are as complete and diligent as Mira Bella. Furthermore, the construction team has always acted in an exceptionally professional manner and responded to questions and issues in an urgent fashion. From my experience with Mira Bella Builders, I would be pleased to work on future projects with them.

If you have any questions, please feel free to contact me at the number listed below.

Respectfully,

Christina Saucedo
